

# OHIO AUDITOR OF STATE KEITH FABER

## Auditor Keith Faber

As Ohio's 33rd Auditor of State, Keith Faber is dedicated to ensuring efficient, effective and transparent government for the people of Ohio.

From 2001-18, Faber served Ohioans in the state legislature, including time as President of the Ohio Senate. He earned a reputation for restraining state spending, lowering taxes and advocating for more transparent, accountable government. Some notable legislative accomplishments that will translate to his role as Auditor of State include:

- Asking colleges and universities to reduce the cost of a degree by five percent through the Ohio Senate President's 5 Percent Challenge. This resulted in statewide average savings of 12 percent for students.
- Streamlining the public records mediation process by making public records more accessible and affordable to the public through the Court of Claims.
- Introducing legislation to increase the number of performance audits and allow the legislature to review state agencies.

Faber will work with state and local governments to assure taxpayer dollars are being spent appropriately and, if they are not, that those who lie, cheat and steal are held responsible.

Finally, he will help government work better, faster and cheaper while improving customer service for Ohioans.

Faber earned his undergraduate degree from Oakland University and his Juris Doctorate from the Ohio State University Moritz College of Law. After working in the private sector, he opened his own law firm, Faber and Associates LLC.

He and his wife, Andrea, have two children and live in Celina, Ohio.
