Dear Tim:

WILLIAM D. McFARLAND
Washington County
Secretary/Treasurer

In accordance with Section 319.04(A) of the Ohio Revised Code, attached please find the Ohio County Auditor Continuing Education Status Report as of March 26, 2012. County Auditors are required to complete 16 credit hours during the first year of their term of office and a total of 24 hours over the entire term. This report encompasses the first year of the current term of office which began on March 14, 2011.

FRANCES S. LESSER, Esq.
Executive Director

THOMAS P. PAPPAS, Esq.
Legislative Counsel

Please note there are two County Auditors who were appointed to office beginning on December 31, 2011. Coshocton County Auditor Christine Sycks and Henry County Auditor Kevin Garringer are in the first few months of their term of office and do not yet have the required hours of credit. I anticipate they will have the required number of credits at their first year anniversary of December 31, 2012, and I will forward a copy of their status reports to you at that time.

BETTY S. DEVER
Assistant Director

The County Auditors' Association of Ohio (CAAO) is proud of the accomplishments of County Auditors in continuing education. We are pleased to provide you with this report. Please feel free to contact me if you have any questions regarding the CAAO Continuing Education program.

Sincerely yours,

Frances S. Lesser
