## Coronavirus Relief Fund

- What are the sources of the funding?
- In which major categories did they spend the funding?
- How many populations do I have?

### Recap

1. Multiple sources could result in multiple populations.
2. Multiple uses could result in multiple populations.
3. Both 1 and 2 could be present in your entity.
4. Be sure you are properly stratifying your populations to ensure proper testing of the expenditures.
